92/24-25 To agree the PC's response to a letter received regarding proposed building works on the Horse Field.

Parish Councillors had received a letter from Cheffins laying out their arguments for building on the horse field, as heard at the PC meeting of April 2024.

DG proposed that a letter be sent from the PC in response to Cheffins' to all parish councillors, laying out the PC's position towards development of the area in question; seconded AD, motion defeated 3 for, 4 against, one abstention.

93/24-25 To add the cutting of the grass in front of the Scout hut to the Nurture Landscaping contract.

DG noted that as the Parochial Church Charities only wanted half the number of cuts provided for the other areas, it would be simpler to agree a second, separate contract for the cutting of the Scout Hut grass to 2", for 2025 and 2026.

Action: DG to negotiate the contract described above

To be agreed at the October meeting.

94/24-25 To agree the 2024-25 Action Plan.

SKP proposed that the financial information be removed from the 2024-25 Action Plan and that it then be agreed; seconded DG, passed unanimously.

95/24-25 To discuss and agree an application for funding from Parish Domains Helper Service towards changing the PC website to a gov.uk domain.

SKP explained that the PC is not obliged at present to have a gov.uk website address and PC emails, but that to do so would look more professional; it would also give the PC huge storage capacity, improved cybersecurity and back up for the website. Funding of up to £100 is available for the initial changeover. Disadvantages would be the running costs would fall to the PC once the funding was used and a redirect would have to be set up from the old website and email addresses to prevent people being unable to contact the PC.

SKP proposed that the PC apply for funding to change to a gov.uk domain; seconded PH, passed unanimously.

Action: SKP to look into the cost of hosting the website.

96/24-25 To decide how to control ivy growing over the back of the Keep.

Action: Clerk to write to the Keep's neighbours, politely requesting that the ivy be cut back.

97/24-25 To receive the A-B1102 response to the GCP Eastern Access report and PC guidelines for responding to it.

DG reported that the Greater Cambridge Partnership had produced recommendations after reviewing their plan, at an Assembly taking place today. The A-B1102 group have responded in their capacity of representing PCs.

The primary site for moving the Newmarket Road P&R has been decided – near the roundabout between Newmarket Road and Airport Way. A smaller, satellite site is being considered near Stow Cum Quy, with a view of it becoming a hub for travel onwards e.g. to Cambridge North, the main bus station etc. There was no need for the PC to respond or take any further action.

98/24-25 To agree the PC response to the National Planning Policy Framework consultation.

DG outlined the need of the PC to respond to the NPPF consultation as a number of significant changes are proposed, for example the removal of protections for areas downgraded from greenbelt to grey.

DG proposed that he complete the questionnaire for the NPPF consultation on behalf of the PC; seconded KM, passed unanimously.

Action: DG to complete the NPPF consultation questionnaire.

99/24-25 To respond to the Active Travel Highways consultation.

The PC declined to respond.

100/24-25 Report on Heating Scheme

DG reported.

28-30 properties are due to have the internal and external fittings to join the scheme by January 2025.

CPEN is 98% complete and the scheme will have full power by October 2024, therefore there will be no issues with connecting further properties. Landscaping can then be completed and the programme for landscaping is being updated accordingly.

The noise pollution is being tackled with noise-reducing coverings for the relevant sections.

101/24-25 Clerk's Report

Nothing to report.

102/24-25 Parish Councillors' Reports

- a) DG – grass cutting. Saplings belonging to a parishioner on Mill Hill had been accidentally strimmed during cutting of the verges.
Action: DG and Clerk to liaise with the parishioner.
- b) SG noted that a motorhome had parked in the Village Hall car park and moved on when requested by a member of the Village Hall committee. AD noted that the car park comes under the control of the PC, not the Village Hall – for future reference.
