Please note that before interment can take place, the Clerk must have seen the certificate for Exclusive Right of Burial, payment of the appropriate fees, the interment form and either the Registrar's Certificate for Disposal or the Coroner's Order for Burial. A medical practitioner, midwife or nurse's certificate would be required for the Interment of a non-viable foetus. The Parish Council will not allow interment in a grave covered by an exclusive right of burial without the written permission of the registered owner unless the burial is to be that of the registered owner.
